

Matrix of Partner Initiatives

National Association of State Directors of Technical Education Consortium

Partner Liaison: Kimberly Green, Executive Director

www.career tech.org

The National Association of State Directors of Career Technical Education Consortium (NASDCTEc) is a professional association of state career education agency heads committed to advancing and improving career technical education. NASDCTEc supports state's efforts to promote career technical education (career tech courses as well as career tech academies), advocates for related national legislation and policy (e.g. Perkins funding), forms partnerships and alliances with other organizations pursuing similar goals and provides information and services to its members.
